## ESD-SAFE STOOL WITH WHEELS

5-spoke aluminium base with autobraking ESD-SAFE wheels. The height of the chair can be adjusted thanks to its gas piston. It has an adjustable footrest ring, height and depth adjustable backrest blockable in whatever position. The seat and the backrest are padded with foamed polyurethane and covered with ESD-SAFE fabric.

Height adjustable gas piston

SYNCRO adjustable backrest

ESD-SAFE fabric

Adjustable footrest ring

Complies to IEC 61340-5-1 regulations
