

ESD-SAFE CART WITH 3 TUB-SHELVES

This cart allows to have an easily movable work surface placable wherever in your laboratory. The pivoting wheels are in conductive rubber and can rotate 360°. All components comply to IEC61340-5-1 regulations and can be used in all areas where a high degree of ESD safety is required. To facilitate transport an integrated handle is present on the frame. All shelves have a 40mm safety border.
