KB EVO LOW 2000 WORKBENCH

The KB EVO LOW 1500 has as main features its higher degree of sturdiness and stability, enabling it to withstand loads heavier than **300kg**. The working surface is made of anti-scratch laminate with black ABS borders. Its ground clearance is 860mm. Thanks to 6 millimetrically adjustable feet the workbench can always be levelled.

Rendering:

Technical Design:

Load capacity over 300kg

Sturdy and robust frame

Shelf-platform and footrest bar

Technical Specifications:
