KE MEDIUM 2000 WORKBENCH

The KE MEDIUM 2000 Workbench has a sturdy and robust structure. The frame is painted with epoxy powders. The working surface is made of anti-scratch laminate with black 27mm thick ABS borders. The ground clearance is 800mm. Thanks to 6 millimetrically adjustable feet the workbench can always be levelled.

Equipment:

1320mm high upright supports with a rapid attachment shelf and an electric module with 6 schuko powersockets and magnetothermic switch. The columns offer the option to add various accessories.
