KER LOW 2000 WORKBENCH

Manually height adjustable workbench

The KER line allows the user to adjust the worktop and the backside on 4 levels, starting from 800mm ground clearance up to 1000mm. This model has been designed to offer more comfort to the user both while seated and while standing up. The adjustment can be done by simply moving 4 pins.

Technical Design:

Easy to
assemble

Anti-scratch
laminate worktop

Height adjustable
