Complies to  
**IEC61340-5-1**  
regulations

worktop cod. 20560

reel holder cod. 834

Code	Description
21770	Piececounter 240V/50hz
21771	Piececounter with accumulator, barcode input and printer clock output
<b>Accessories for radial and axial THT counting</b>	
834	Complete reelholder group (1 pezzo)
835	Handle for taped THT
<b>Accessories for taped SMD counting</b>	
299	Adapter for counting taped SMD
20560	Worktop with two reelholding pins
1053	handle for SMD
20561	Empty alluminium reel
